Day 4

Sigiriya

Enjoy breakfast at the resort.

Afterwards, you'll head to **Pidurangala Rock** (approximately 20 minutes drive). A massive rock formation almost directly opposite Sigiriya, Pidurangala has an equally majestic view as the former of rolling lake-and-land vistas. Short of viewing it through drone footage, the summit of Pidurangala is also the best possible place to get an eyeful the rock fortress itself.

Then, you'll take a **Jeep Safari at Minneriya national park**. The park covers 8,890 hectares and consists of a mixed forest of evergreen shrubs, a favorite habitat for animals, which include leopards, deer and wild elephants. You can also see huge flocks of birds, including cormorants and painted storks that come to fish in the shallow waters.

Return to the resort and spend the rest of the evening at your leisure.
